BANKS ARE WARNED OF SPURIOUS NOTES

Counterfeit \$100, \$20 and \$5 Bill in Circulation in New York.

The attention of all banks has been called by the Federal Reserve Bank of New York to the fact that a second counterfeit "one hundred" has made its appearance in this district, as well as a bad "five" and an unlawful twenty-dollar bill.

The new counterfeit \$100 note purports to be on the Federal Reserve

Bank of Cleveland, carries the check letter "B", plate No. 3, the signatures of D. F. Houston, Secretary of the Treasury, and John Burke, Treasurer of the United States, and bears a portrait of Benjamin Franklin. The bad "five" also is on the Federal Reserve Bank of Cleveland. Blue coloring has been applied to seal and number on the face of the bill. The \$20 counterfeit is on the Chatham and Phoenix National Bank. In large blue figures on the face of this note the charter number of the bank is given as 1977, while in the border of the bill the correct number appears, 10,778. The notice calls this counterfeit "poorly executed."

POOLROOM LICENSES OUTLAWED ON SEPT. 1

New State Law Goes Into Effect on That Date.

ALBANY, June 15.—Present city or village ordinances licensing billiard and "pool" rooms will become automatically ineffective Sept. 1, when the new State law governing these places takes effect, according to the opinion of Attorney General Charles D. Newton, made public to-day. New York and Buffalo are not affected by the State law.

Commencement Exercises To-day Marked by an Academic Procession and the Conferring of Degrees.

The Hunter College commencement took place this morning at the college, Park Avenue and 68th Street. After the academic procession and an invocation by the Rev. William B. Martin of St. Patrick's Cathedral the Hunter College Choral Club sang "Beatus Mors." under the direction of Miss Bernice White. Prof. Charles Moore, Ph. D., then presented the candidates and the degrees were conferred by President George Samler Davis, LL. D.

President Davis in his address to the graduates said that the degree of bachelor of arts was conferred on 293 students, of whom ten were graduates of the evening session. The President also announced that thirty-three higher degrees had been conferred this year on Hunter graduates.

In speaking of the growth of the college, President Davis said that the registration of new students this February had been 46 per cent. higher than the previous year and that the growth in other directions was also great.

The President announced three legacies which had been left the college by Julia Kraus, Wilkins, Louise Roemer and Alice Rich Northrup, the two last mentioned being graduates of the college. As the estates have not yet been settled the amounts could not be definitely announced.

Three new prizes were granted this year—the Nancy Ashton prize in interior decorating, to Elizabeth A. Davis, Frieda Weisberg, Mildred Hills; the Frances Sutton Bliss science memorial prize, to Frances Alberts, for excellence in chemistry, and the Joseph Frey memorial prize for the best academic work in the evening session, to Elizabeth A. Davis. The prize granted by Dr. Robert Bliss is a memorial to his mother. Dr. Bliss's three sisters are graduates of Hunter, now teaching in the schools of the city.

In the picture presented are seen all the graduates who receive their diplomas to-day from Hunter College, New York City's free university for women. Edna Kramer, Elise Jacobs

and Beatrice Kohn are the honor students, graduating with signal honors as a result of their studies during the entire course and their contributions to student and college welfare. Anna Michels, retiring President of the Student Council, is the winner of the Guggenheim prize for English literature.

The members of the June, 1922, graduating class are:

MIDLAND BEACHERS PROTEST.
The bungalow colonies about Midland Beach, Staten Island, are up in arms against the Midland Beach management for restricting bathing suits on the boardwalk and approaches to the beach. They have sent a petition to Borough President Cahill, requesting that the city continue Lincoln Avenue, a public highway, through to the beach, which is privately-owned property.

Sure blues for shore!
Blue serge suits—all-wool and fast color by our own tests. Plenty at \$45, \$48, and \$50.

White "flannels" to wear with them. Fine for week-ends. Keeps luggage down, yet gives you a change.

White oxfords. Silk socks. Soft collared shirts. Blue four-in-hand with white dots. Summer dressing gowns. Flexible straws—everything for comfort—as well as style.

Bathing suits. Surf boards. Aquaplanes. Beach robes. Towels.

Travelling bags, suit cases, trunks—travelling companions you're glad to have along.

**Instant Beauty for Everyone
Says VIOLA DANA**
Just Make This Simple Test

"I am often asked how I keep my complexion so fresh looking," says Viola Dana, the famous actress. "It's a simple process for any one to have a smooth, velvety, rose-white complexion and unwrinkled skin. They will devote just a little time in caring for it."

"To have a clear, healthy skin, cleanliness is absolutely necessary. For this purpose I use a good cleansing cream (Liska cold cream I have found to be the best). I then bathe my face with warm water, rinse with cold, dry thoroughly and apply Derwillo, a simple toilet preparation."

"This marvelous preparation instantly beautifies the complexion and gives any one a more youthful appearance. You can form no idea what a wonderful effect it has upon the skin until you test it. Here is the best way. Put it on one side of your face, then look in your mirror and note the difference. You will need no further argument to convince you that there is nothing like it for beautifying purposes."

"The instant results it gives is the reason for its popularity with actresses and discriminating women who realize the value of a rose-white, smooth, clear complexion. Derwillo is especially recommended for dark, sallow skin, tan, shiny nose, blackheads, coarse pores and numerous other facial blemishes. Many use it in preference to face powders or all other beautifiers, as it is more lifelike. Perspiration does not affect it, therefore it stays on better than face powder, does not rub off on clothing and its use cannot be detected."

"It is absolutely harmless even on the most delicate skin and will not stimulate or produce a growth of hair. Over one million are now using it. Now that short sleeves are in vogue you will want to beautify your hands and arms. There is nothing like Derwillo for this purpose. It comes in three shades—flesh, white and brunette. If you want a complexion which will attract favorably comment everywhere, just give Derwillo a trial and you are sure to be delighted. Do not accept substitutes, then you will not be disappointed, as there is nothing just as good, 'better' or 'just like it'."
